TITLE: THE HISTORY OF IDEAS

QUOTE: “If I have seen further it is by standing on the shoulders of Giants” Isaac Newton

OBJECTIVES FOR THE WEEK:

Look into your industry at innovations that are now commonplace. What was the normal before then.

Look back at the last five to ten years at failures in your industry, what did people try to introduce that failed. Look at why they failed and if there is any way that it could now work with different technology or by amending them.

Think to the future as well, if you had a problem you could solve, what would it be?
