TITLE: DREAM TIME

QUOTE: “If you want creative workers, give them enough time to play” John Cleese

OBJECTIVES FOR THE WEEK:

This week’s assignment is very simple. Assign some time to dream. If you can take this in the day at work and get away from your desk and turn off your phone and emails etc. Then let your mind wander. As part of this, think at what other times you can do this. In the shower, on a train, in the gym etc. Set yourself the task of finding at least one time every day this week that you can dream and think on ideas. Write your ideas and thoughts down in your idea book and at the end of the week, see what you have got.

RESULTS:
