TITLE: A BIT OF THIS, A BIT OF THAT

QUOTE: *“Normally, we do not so much look at things as overlook them”* Alan Watts

## OBJECTIVES FOR THE WEEK:

Select some industries that you admire and look at how they deal with their problems and opportunities.

Then look at what you are trying to achieve, if you were in that other industry, what would you do to bring it to life?

Now look at some other industries and see what they would do. Mix and match the best from these and apply them to how you might approach the problem.

## RESULTS:
