QUOTE: *“I prefer drawing to talking. Drawing is faster and leaves less room for lies”* Le Corbusier

OBJECTIVES FOR THE WEEK:

The task for the week is obvious, find that prop. What one thing would bring to life everything you are doing?

You might need to make it and a great prop does not need to be professionally made or beautifully finished. It is about getting it in your hands and showing to people so they get your idea.

Think laterally and use the materials around you. EBay is a very useful resource and you can get almost anything there.
